Air Request Form

In order to quote airfare, please fill out in the Air Request Form in full. Once the form is complete, please fax your request to: **770-234-5170**. Once we have received your request we will e-mail or fax you a quote within 7 business days. Please note all airfare quoted is subject to change and can only be held and guaranteed with full payment.

Once airfare has been ticketed through Expeditions Travel Group, tickets are non refundable. Any cancellations or changes will be subject to the cancellation fees and penalties of the airline or airline consolidator associated with the ticket purchase. Any deviations, extensions or requests different from the air booking that will incur a cost will be the responsibility of the contracting party and or participant / ticket holder.

***Expeditions Travel Group recommends clients first call the airlines or your local travel agent directly for airfare purchase. For international airfare we recommend using the internet as a second choice. If you are unable to acquire adequate airfare via these avenues please feel free to fill out our Air Request Form and we will try our best to locate and quote you the best possible airfare we can acquire.**

***Booking air through Expeditions Travel Group may incur additional booking fees.**
