

Custom Group Travel Programs Customized Adventures Worldwide

Does the idea of a private or customized excursion for your friends, family, business colleagues, JCC, Federation, camp, school, or other special interest group sound appealing? Kosher Expeditions is more than happy to put together special dates and arrangements that fit your needs. Choose one of our travel destinations below or another worldwide destination of interest and we can discuss the best time of year, trip leaders, accommodations, and custom itineraries. Special travel discounts are available for group travel. Group numbers vary per trip so please call for details. If you have a small group and are interested in increasing your numbers, with your permission, we can open your tour to the general public by advertising your tour date as a regularly scheduled Kosher Expeditions date of departure.

Organizational events and fund raisers: Many organizations and groups that have worked with us use this opportunity as a fundraiser, as a way to stimulate group or organizational cohesiveness, or to facilitate a bunch of friends looking for a great time. We take care of all logistical details including answering all questions and running registration through our office, leaving you only to promote this opportunity to your members. Kosher Expeditions develops and runs the program for the group supplying the organization with a net price per person. The group or organization then decides on the final price of the tour with proceeds to be used at the client's discretion.

Contact us for more information. If you would like more information on a particular destination, detailed itineraries are available on our website or upon request. For groups, let us know which of our destinations is of interest and a destination specialist will be happy to put together a detailed tour proposal.

Student & Educational Expeditions

Custom Group Student Travel Programs

Kosher Expeditions' (KE), Academic Student Expeditions, endeavors to offer our clients opportunities to expand their horizons through travel. Founded by professional educators and travel experts, KE realizes the true benefits of an educational program. What better way to experience an in-depth discovery of a new country or region than to experience it first-hand under the guidance of expert scholars and educators. KE's Student Expeditions adheres to a strong educational philosophy when designing each tour, whether the emphasis is on adult education or tours appropriate for student groups. We have developed a number of unique travel categories dedicated to cultural and Jewish education in the field, eco-education or history & heritage. Whether traveling with renowned scholars through Provencal France or exploring the eco-wonders of Costa Rica, Kosher Expeditions brings you a unique way to travel with exciting educational adventures and, of course, our wonderfully prepared Glatt kosher meals.

The Kosher Expeditions Experience: As a division of Expeditions Travel Group Inc, KE has run educational programs for thousands of satisfied participants. Kosher Expeditions' student tour programs were developed to be not just another student travel program, but a fun and meaningful teen experience geared to strengthen our participants' Jewish identity and sense of community. We believe that positive Jewish travel experiences at a young age lead to a sense of strengthened identity and future Jewish involvement. Combining this philosophy with fun and adventure can lead to a powerful, memorable and life-changing travel experience.

Outstanding Educational Content: KE's teen programming has been specifically developed as a fun, informal and transformative travel experience building Jewish identity and community. Tours may include hands-on "Tikkun Olam" social action programming, meaningful Shabbat programming, interactive seminars and discussions on Judaism and nature, environmental study, language study, interaction with local indigenous peoples and Jewish communities, history & heritage plus much more!

Quality Leadership: Each KE tour is staffed with full-time guides/educators who are responsible for all Jewish content, guiding, and logistics. Our trip leaders are naturalists, rabbis, and educators, dynamic and energetic professionals who are experts in engaging teens.

Premium Accommodations & Amenities: KE uses only premium properties for its tours. We choose comfortable, clean, and spacious lodgings, which are suitable for groups. All meals are Glatt kosher prepared fresh on-site under strict supervision, nutritious, well-balanced, and plentiful. Vegetarian options are always available. KE does not patronize kosher fast food establishments, as we strive to provide top quality, healthy food for our groups.

Safe & Secure Travel: Through constant site inspections, KE maintains first-hand knowledge of the surrounding areas and local happenings at each destination. KE also maintains one of the most comprehensive travel protection policies in the industry, adding to parents' peace of mind. Before each tour, detailed itineraries and contact numbers to our offices and lodgings are provided to each participant and their families, along with our 24-hour emergency toll-free contact numbers.

Gateway to a successful travel experience: Let Kosher Expeditions take care of the details of your travel program so you and your group members can sit back, enjoy, learn, and experience memories that will last a lifetime!
